### HOW AND WHY, WE COLLECT PERSONAL INFORMATION

1. The Company collects personal information in several ways. The most common ways we collect personal information include:
  - o From application forms (online or hard copy or completed via telephone): when individuals apply to become a network member, or subscribe to marketing or communications lists, for the purpose of providing news, information, ticket bookings, exhibit bookings, offers and other services in accordance with terms and conditions of the network
  - o From telephone, email, written and in-person enquires directed to us: for the purposes of responding to enquires.
  - o From online or hard copy surveys: for the purpose of reviewing and analysing the results and following up on results.
2. From business contacts, including contracts and business cards: when you enter into transactions with us or otherwise interact with us in a business context.
  - o Any messages or comments submitted to us via the Site which may include personal information such as your name, email address and telephone number.
  - o From our primary ticketing agency when individuals have given the ticketing agency permission for the ticketing agency to provide the individuals’ Personal Information to presenters/producers related to the event for the purpose of providing information about future events.
  - o From public registers including social networks such as LinkedIn: if you have made this information available, for the purpose of obtaining your contact details.
  - o From Sites through automatic processes such as cookies. Cookies are used to better understand users and improve the layout and functionality of our Sites by collecting information such as date, time and duration of visits and which pages are most commonly accessed. This tracking is conducted in such a way as to ensure the anonymity of visitors to Sites. While cookies may identify the computer, it should not identify the individual. With most internet browsers, users can erase cookies from their computer’s hard drive, block all cookies or receive a warning before a cookie is stored. However, some parts of this Site may not function fully for users to that disallow cookies. To view our cookie policy, and change your cookie preferences, visit this page.
3. Our Sites may collect other information that may or may not be personal information. For each visitor to the Site, our server automatically recognises and stores the individual’s “IP address” (eg. the domain name or Internet protocol address), the type of Internet browser being used, the address of the site that “referred” the individual to our website and clickstream data. If this information cannot be used or combined with other data to identify you, it will not be personal information.
4. We also collect personal information for the purpose of providing you with any goods or services that you request, to update our Sites, to improve the services or goods that we provide and to develop our business.

### PERSONAL INFORMATION

1. We aim to only collect personal information that is necessary to fulfil the purpose for which you have

disclosed it, or as required by law.

2. If you ask us to provide you with information, sign up to join one of our event subsidiary networks, you will be asked to provide contact information (such as your name, telephone number, postal address and email address).
3. In some instances, we may need to ask you for additional information necessary to provide you with the goods or services you have requested. When we ask you for further information in addition to that you provide to us initially, we will tell you why we are collecting that information.
4. We aim to only collect information that is absolutely necessary to provide you with any service you have requested. If you would prefer to remain anonymous, we are happy to still deal with you provided that we don't need to know who you are. Instances where this may be possible include where you are providing us with anonymous feedback that does not require a response.
5. We do not collect sensitive personal information.

#### DIRECT MARKETING AND ELECTRONIC UPDATES

1. In some instances, where you have provided consent, or consent is deemed to have been provided or conferred, we may use your personal information for the purpose of sending you marketing communications including by electronic marketing for an unlimited period. You may opt-out of receiving such messages at any time provided such messages are sent by us. We will give you the opportunity to opt-out within the email that we send to you. You may also opt-out by contacting us (using the details provided below)

#### STORAGE OF PERSONAL INFORMATION

1. Any information we collect about you will be kept securely by us unless an event beyond our control disrupts the measures we have in place. We use up-to-date security, firewall, anti-virus and encryption software to ensure the security of the data we keep and to prevent unauthorised access, destruction, use, modification or disclosure. We have procedures in place with regards to staff access to personal information and ensure that only those staff who need to know have access to your information.
2. We will only store personal information for so long as it is required either to fulfil the purpose for which it was collected or to fulfil our obligations at law. We will conduct regular reviews of the personal information we hold and destroy or de-identify information no longer required.

#### DISCLOSURE OF PERSONAL INFORMATION

1. Generally, personal information will not be disclosed to individuals or organisations outside of the Company without your prior consent. However, in the circumstances described below, personal information may be disclosed to:
  - o Essential service providers: There may be other companies that we rely on to provide goods or services to you. We may be required to provide your personal information to these companies to ensure that we can deliver goods or services to you.
  - o Law enforcement or government bodies: There are exceptions under the Privacy Act with regards to the provision of personal information to law enforcement or government bodies. When a legitimate request is sent to us by a law enforcement or government body we will comply with that request and may provide personal information about you without your consent.
